

How to install Citrix Receiver

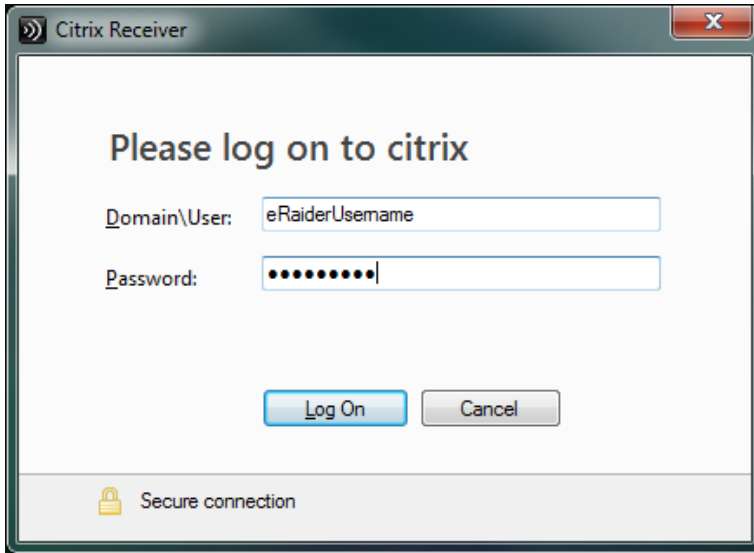

1. Navigate to <http://receiver.citrix.com> and download the Citrix Receiver.
2. Open the installation file and click **Install**.

3. After installation completes, open Citrix Receiver and enter <https://sf.ba.ttu.edu> and click **Next**.

4. Type your eRaider Username and your eRaider password, click **Log On**.

5. Click **Yes**.

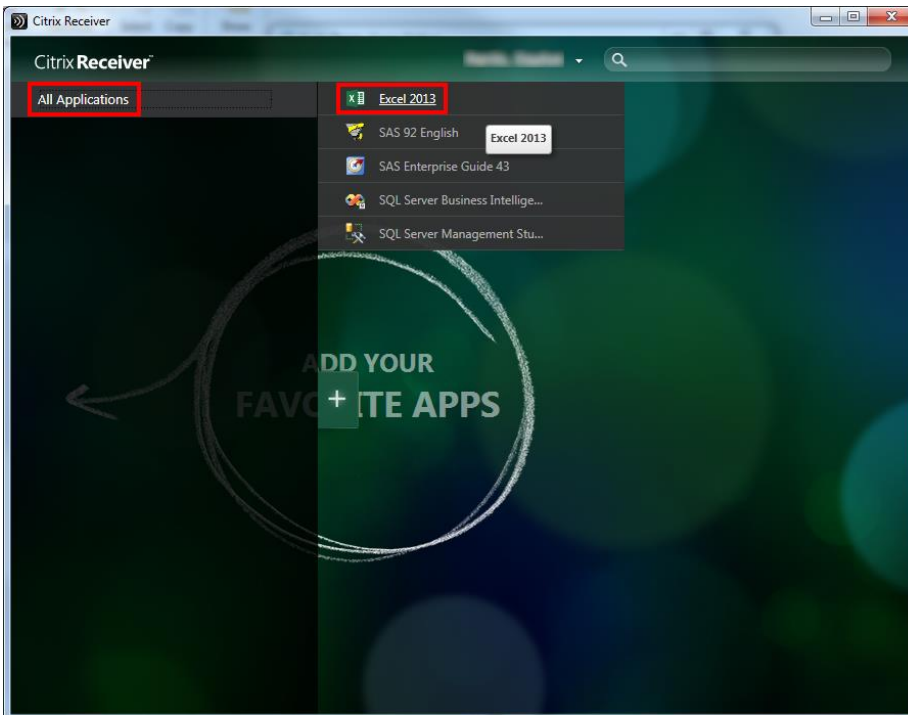

6. Click **Finish**.

7. Click the + button on the left to add applications.

8. Click **All Applications**, then the icon to add it to your home screen.

9. Click the application icon to launch it within Citrix.
